1 The muslims had started to make treaties with nearby tribes to gain influence which made the Quraish mad and threatened. When Ansari leader Saad bin Maaz came to Makkah for umrah he was stopped by Abu Jahal who threatened to kill him and told him no muslim was allowed to do umrah or come to makkah. To respond to Quraysh's unprovoked aggression the muslims blocked Quraysh path from makkah to Syria for trade and attacked their caravans to hit them financially. Quraysh responded by Kurz bin Jabir who went to outskirts of madinah with other makkans and killed some innocent shepherds and took their livestock. This caused insecurity and fear in madinah. In rajab the prophet sent Abdullah bin Jahsh R.A with 12 companions to gather information about whats occuring in makkah but not to engage. They were attacked by Amr bin hadhrami and others which resulted in Amr bin hadhrami dying and two men naufal and uthman getting captured. This was the incident of Nakhlah which was a significant contributing to battle of badr.

Abu Sufyan decided to go to syria with merchandise despite blockade and left with 50000 Dinar of merchandise on 1000 camels and successfully dodged muslims. On the way back

Abu sufyan safely reached makkah from a route through red sea shore and called abu jahal back but he refused. 300 soldiers came back. Now abu jahal had 1000 strong soldiers. prophet pbuh woke up the whole night praying to allah saying "o allah if this small the last people who believe in your oneness, if they perish no one will ~~A~~ worship you till day of judgement" allah responded through miracles. First rain came and made soil firm and ~~ot~~ since muslims were stressed and couldn't sleep allah sent drowsiness so they could rest. ~~An~~ as allah said "and we sent upon you drowsiness as security, and from the sky rain to purify you and remove from you the evil"

~~The bat~~

The battle of badr occured in 17th Ramadan 2nd A.H and another miracle was that the size for Qureysh was increased and Qureysh size for muslims was decreased to give confidence. First one on one occured, Shaybah, Utbah and walid came from Qureysh and hamza R.A, Ali R.A and Ubaidah R.A came from Muslims and all three muslims won with only Ubaidah being ~~[illegible]~~ severe injured and was later martyred in the battle. This was a confidence battle. To add an ~~Aye~~ Allah fulfilled his promise of angels help as He said "When you asked your Lord for help He answered indeed we will reinforce you with 1000 angels one after another"; when prophet ~~[illegible]~~ saw it he threw a sand towards the Quraysh progression which was also a miracle as Allah says "you threw not when you threw but it was Allah who did so". Umayyah bin Khalaf was killed by his former slave Bilal and ~~A~~ Abu Jahal was killed by Muadh and Muawwiz

Prophet said "Even if you see us being snatched into pieces by birds do not leave your position until I call for you". These archers were led by Abdullah bin Jubair R.A. The battle started with Abu Talha flag bearer of Abdul Dar who was known for his fierceness and titled "Ram of battalion" came to fight but Zubair bin Awam attacked him like a lion pulling him from his camel and killing him. His brother Uthman rushed to grab enemy's flag but was also killed by Hamza R.A. Duels resulted 11-0 victory for muslims. all 11 were from house of Abdul Dar. The fight started and the muslims were like lions too powerful for enemy. Soon enemy started running away and people started gathering spoils of war. The archers seeing this to left the hill and came down to collect it. Khalid bin Waleed saw the weakness and attacked the hill with 200 cavalry as a result Muslims became extending this and this scattered in a lot of deaths. Musab bin Umair R.A who looked like Prophet PBUH was martyred and a rumour spread Prophet has died and this caused more chaos and deaths. Prophet however was safe. He was protected by 11 companions who protected him from spears, swords, arrows etc. Talha bin Ubaidullah put his body on the line suffering 70 wounds and was named "the living martyr". Prophet fell in a ditch and due to immense stone pelting he was severely injured.

Prophet regrouped the companions and attacked a weak spot to break circle of enemy and rode to hill safety then against that so they wouldn't get attacked from back and resting in their group. Quraysh were shocked of this outbreak and Khalid they had done enough damage and left away. Abu Sufyan challenged Muslims to a return the next year. The Muslims learnt very important lessons.
